### Second Version

### 1017 APPOINTMENT AND REMOVAL OF FIRE CHIEF

The Fire Chief is the only employee of the District. The Board of Directors is responsible for appointing and dismissing the Fire Chief. (new)

Procedure for appointment of Fire Chief by the Board of Directors

- 1. Department submits names of candidates to the Board of Directors at the meeting prior to annual department election. (no change)
- 2. The Board of Directors interviews candidates and using the criteria below selects the Fire Chief. (change)

Qualifications for Fire Chief: (no change)

- Experience in department activities
- Ability to perform duties
- Desire to fill position
- 3. If all candidates are rejected with cause, this process shall be repeated until a Fire Chief is selected. (change)
- 4. The Fire Chief shall serve until the next annual Department election. (no change)
- 5. This process will be used if for any reason the Chief is unable to serve until the next annual Department elections. (new)

Procedure for dismissal of the Fire Chief

In order for the Board of Directors to remove the Fire Chief, at least one of the following conditions must exist:

- 1. A petition of a majority of regular Department members requesting removal of the Fire Chief is presented to the Board of Directors at a regular meeting. (no change)
- 2. The Board is informed in writing of a serious misapplication of policies, regulations, rules or procedures of the Albion-Little River Fire District or Department. (no change)
- 3. The Board of Directors determines the chief is unable to fulfill his/her duties. The determination will be made at a regular Board meeting and will require a simple majority vote of the Board. (new)

If any of the above 3 conditions exist, the Board shall call a special meeting to discuss the allegations with the Fire Chief. If after this discussion, a majority of Board members feels the removal of the Fire Chief should be considered, the Board may call a properly noticed and agendized special closed session to discuss the removal in accordance with Govt. Code 54957(b)(2) "As a condition of holding a closed session on specific complaints or charges brought against an employee by another person or employee, the employee shall be given written notice of his or her right to have the complaints or charges heard in open session rather than closed session...". (no change)

It shall require 4/5 majority of the Board of Directors to dismiss the Fire Chief (no change)

Possible questions for interview with a candidate for the Chief position:

- 1. Tell us about yourself with an emphasis on your qualifications for the position of Chief for the Albion Little River Fire Department. (Alan should ask this question)
- 2. What are your goals for the Department for the rest of this year? What do you see as the strengths and weaknesses of the Department?
- 3. The Department is low in numbers of firemen. What will you do to recruit more people for the Department?
- 4. Do you understand your role in working with this Board?
- 5. We are trying to build a new station. Do you have any ideas on how the Board and the Department can work together?
- 6. How can we do a better job of maintaining our equipment and facilities?
- 7. Do you have any questions or suggestions for our Board? (Alan should conclude the interview with this question)
